

Grossnickle Family Tree

We are in the process of expanding the Grossnickle Family Tree. For each family, we are looking for photos — both old and new,. We will also include any noteworthy information — like where you went to school or college, if you played sports, if you served in the military, etc. We have a very good start with the Charles Upton Grossnickle family, but need to expand on the tree all the way back to Peter and Johannes — and of course, capture the new descendants as well.

If you have photos or other information, please send it to Ella McNeil at 8 Wood Street, Woodsboro, MD. Ella will scan the pictures, and return them to you. It is important that all photos be identified with names and dates (if possible). We hope to have a nice draft book to share at the reunion next year.

Family Trips

We are planning several family trips.:

- Philadelphia, PA: This is a trip to back to the area where Peter and Johannes fist arrived in new world.
- Indiana: A large contingent of our ancestors relocated to the mid-west.
- Germany: Back to the homeland.

If you are interested in any of these trips, please contact Monroe Grossnickle, for more information.
